

FAMILY APPLICATION

Thank you for your interest in applying for “Extreme Makeover: Home Edition.” When casting our show we look for families that are inspirational and deserving. The casting process requires completion of this application as well as a video of your family. If for some reason you are unable to make a video, please include recent pictures of your home and your family.

Every application is reviewed by a member of the casting department, but please be aware that we receive thousands of applications each week and, while we understand that you may have questions about the process, we cannot follow up with every application. **IF WE'RE INTERESTED OR HAVE FURTHER QUESTIONS ABOUT YOUR FAMILY OR YOUR SITUATION, WE WILL CALL YOU AND IT COULD BE SEVERAL MONTHS BEFORE YOU HEAR FROM US!**

Please know that anything you send to us will not be returned and becomes the property of Lock & Key Productions so please do not send original house paperwork, sentimental items or sentimental photographs. Also, it might be a good idea to make a duplication of your casting video as a family keepsake since it will not be returned to you.

If you are nominating a family you know, please include their information throughout the application. There will be a separate spot on the application for your contact information. If you are nominating a family that you don't know (perhaps you read a news article about them), please just include the information that you do have and if we are interested, we will locate them.

THANK YOU AND GOOD LUCK!

I understand that the above release is a material inducement for you to proceed with the Program, and that Network and Producer and the other Released Parties may rely on this release in proceeding with the Program. I understand that neither I nor anyone else will be paid for my granting the above rights, or for my signing

this agreement. My participation in the casting process for the Program, and in the Program itself, do not constitute a performance and will not entitle me to wages, salary, or other compensation. I agree and acknowledge that no one (including Producer or the Network) has asked me for any money or other consideration to be considered for participation in the Program.

I authorize Network and Producer to investigate, access and collect information about me, about any of the statements made by me in my application, any supporting documents and any other document that I have signed or do sign in connection with my application to be selected as a participant in the Program, or any other written or oral statements I make in connection therewith, and hereby waive all rights of privacy or confidentiality that I might otherwise have in such information. I acknowledge and agree that any such information obtained by Network and/or Producer pursuant to this paragraph or otherwise may be used for purposes of selecting participants in the Program, and may be described or otherwise related in and in connection with the Program, including, without limitation, in advertisements, promotions, publicity, marketing, and merchandising, and in any other manner.

I have read and fully understand this release form, and I agree to abide by and be bound by them and by any eligibility requirements determined by Producer in its sole discretion. I acknowledge that in order to participate in the Program, I will be required to complete and sign such additional documents as Producer may require, including without limitation an Applicant Agreement and Release, prior to participating.

I HEREBY CERTIFY THAT ALL OF THE INFORMATION PROVIDED ABOVE AND IN THIS APPLICATION IS TRUE AND COMPLETE. I UNDERSTAND THAT ANY FALSE STATEMENT OR MATERIAL OMISSION BY ME MAY LEAD TO MY DISQUALIFICATION FROM PARTICIPATION IN THE PROGRAM AND/OR THE PARTICIPANT SELECTION PROCESS FOR THE PROGRAM.

Dear Family:

Thank you for watching “Extreme Makeover: Home Edition” and for your interest in applying to our show. To help you along with the application process, we’ve created this simple set of instructions and guidelines for making a casting video.

First off, you should relax and have fun with us! The main purpose of this video is for us to meet your family, see your house, and find out why you need and deserve a home makeover. It is generally best to ask a trusted friend or relative (who doesn’t live in the house) to help you make the video. They can be in charge of operating the camera (during the tour), following the directions, keeping track of what needs to be shot, etc. so that you can focus on being in front of the camera. In order to make the best video possible, please set aside a few hours together as a family to give it your undivided attention.

We understand that talking about your situation can be difficult but please do not hold back and PLEASE don’t turn off the camera if you feel emotional. **Make sure that all members of the household are present for the taping and appear and speak on camera.** If you are not a current member of the household (like a doctor, neighbor or family member), the only time you should be on camera is if you are doing a nomination.

Please know that *IF* you are selected for the show this tape could be used on television so make sure appearances are fit for TV! Ladies, please take the time to put on light makeup and do your hair. You should dress as if you were going out for a family dinner or nice lunch. White and red are not television-friendly colors, nor are tight check patterns or stripes. Logos on t-shirts should also be avoided. Thank you and have fun with this! We look forward to meeting your family!

SHOT LIST: (please make sure the following appear on your tape)

The casting department will edit your tape to make a little movie of your family that will be about 5-7 minutes. The effort you put into this tape is crucial so please follow the instructions and give us the following elements:

1. Interview. This part is very important as we use it to tell the story of your family. Please open up, be emotional, explain why your house needs a makeover and ask for help. Also, please keep this reasonably brief and stick to the highlights of your situation and avoid the minor details. (If you are more comfortable alone, set your camera on a tripod and make sure you are in frame and then just talk to the camera.)
2. Then start the tour of your house:

- Entire family outside of the front door of house for Family Introduction. (Ex: “Hi, ABC! We’re the _____ Family”...big waves and smiles and lots of energy.) After that, each family member should say his or her **FIRST** names and ages. Make sure this is all done in ONE tight, static shot where you put the lens on wide, yet get as close as you can. Please give us multiple takes of this. You can be as creative as you want to be with the family introduction.
 - Then invite us into your house and show us around. Take us from room to room and walk us through the house and show us your problems.
 - One person can do the main rooms in the house but **each child should do their room**. This is also a good chance for your kids to tell their story and speak on your behalf.
 - Then the entire family should go back to the front of the house and say, “Bye ABC! Thanks for coming to see our home; we hope to see you soon!” or something to that effect.
3. Finally, you should do a tour of the outside of your home (including wide shot from the street), your yard; including a 360 view from the front of your house. Its best if we have a sense of where your house is, what the property is like and how close you are to your neighbors so we can plan properly. There is no need for anyone to be in front of the camera for this, this is just so we can see it.
 4. Nomination: please have a few people speak on behalf of you and your family. This should be a one-minute thing. It is best to have dynamic and emotive people do this because if we get a really good one, it will go at the front of your casting tape to introduce your family.

BASIC CAMERA TIPS (Interview and Tour):

1. If you are the person operating the camera during the tour, please don’t talk. Your job is to pay attention to holding the camera steady, lighting, sound, etc.
2. During an interview, if you are asking questions to prompt the person talking on camera, don’t talk over them. Ask them to repeat the question in the answer. If you are not on camera, your voice will be cut out.
3. **DON’T** use the zoom feature. Keep the lens on wide and move your body if you need to get closer to something.
4. Keep your movements slow and steady, the lens can’t move as fast as your eye.
5. If you are the one operating the camera and the subject (person giving the tour) is talking, **KEEP THE CAMERA ON THEM**. You can always give us a nice slow pan of the room before you move on.

6. Use auto focus and pay attention to how much light is in the room.
7. If its daytime, don't stand in front of a window without blinds, you will appear backlit and just look like a shadow. Close the blinds and turn on all the lights.
8. Please turn off TV and Radio in the background and make sure that people who aren't on camera are not talking.
9. Please don't chew gum.
10. Make sure the Time/ Date stamp is off so it doesn't show up on the video.
11. If you are being interviewed, please don't sit in a rocking and / or swivel chair. Also, be mindful of fidgeting while you are talking to camera.
12. Please watch your tape through before you send it to make sure there are no technical problems.
